

SINGER KITCHENS

Cabinets To Go!

Singer Kitchens - Cabinets To Go! is a completely new way of buying cabinets for your kitchen. Choose from three beautiful styles, and take it home today.

Follow the simple step-by-step instructions on this sheet to create a measured rendering of your new Singer Kitchens – Cabinets To Go! Kitchen. Using the information provided, simply measure your kitchen and starting at the star (★) in the upper left hand corner of the grid, draw in your new kitchen. Each large square represents 1sq. foot. Solid lines mark each six-inch increment. Dashed lines represent each three-inch increment. As you create your new kitchen, be aware that while appliances may move several inches, fixed or permanent fixtures may not move at all.

Pick A Style:

White Medium Oak Natural Maple

Step 1: Measure the Room

Starting at the top left corner, measure the room and draw the exterior walls on the sheet. Remember to note the location of all plumbing, electrical outlets, plugs, windows and appliances. Also remember to measure the height of the walls in your kitchen from floor to ceiling.

Step 2: Mark Fixtures, Walls and Doors

Starting at the top left corner, measure the room and draw the exterior walls on the sheet. Remember to note the location of all plumbing, electrical outlets, plugs, windows and appliances.

Step 3: Draw in Your Cabinets

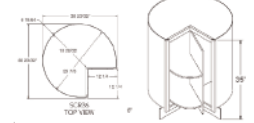

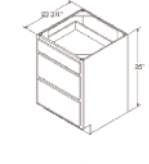

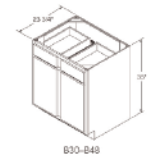

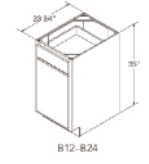

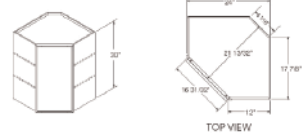

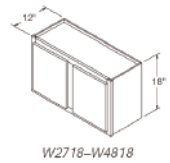

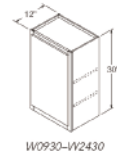

Using the cabinet list on the right, choose the cabinets and sizes you need to create your new kitchen.

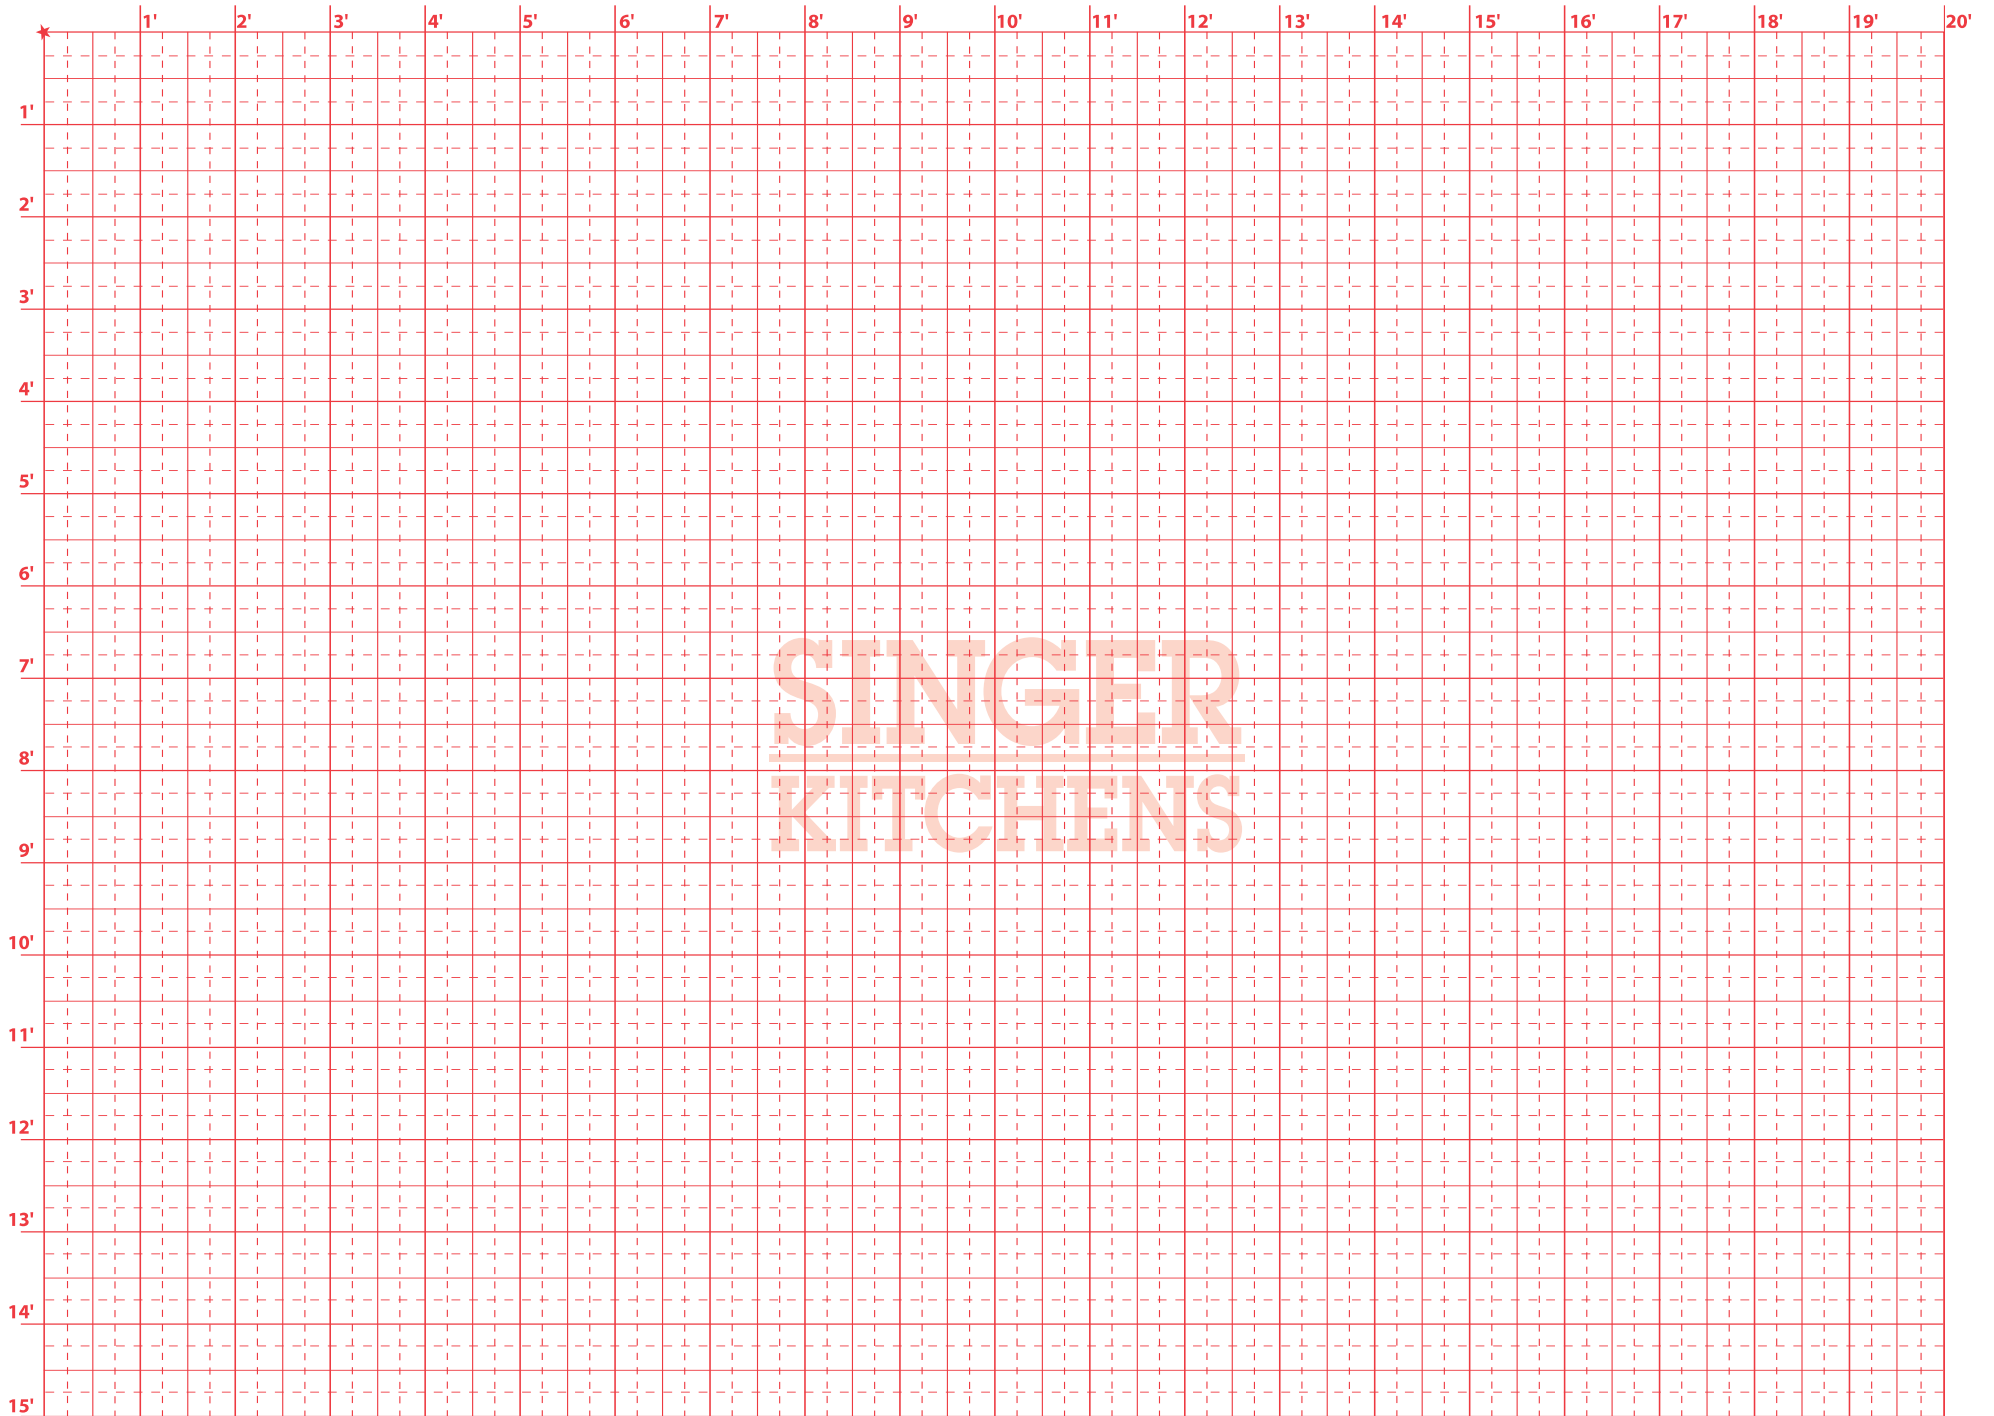

Step 4: Purchase Your Cabinets
